models and applicable airworthiness regulations

Description of the Type Design Change: Installation and Maintenance of the Lifeport Patient Litter System TLSS CASEVAC, P/N 15-00260 in accordance with the Master Drawing Lists (MDL), as shown on the Approved Model List (AML).

Limitations and Conditions: This approval is for the serial number rotorcraft as listed on the AML only and should not be installed on these specific rotorcraft unless the installer determines that the interrelationship between this change and any previously approved modifications, including those made to the type design, will introduce no adverse effect upon the airworthiness of that aircraft.

The instructions for continued airworthiness (ICA) are provided in the installation and maintenance instructions listed on the MDLs for the various models as shown on the AML. The modified rotorcraft must be operated in accordance with an FAA-approved copy of the Rotorcraft Flight Manual Supplements (RFMS), as defined in the AML. A copy of this certificate, the FAA-approved RFMS and the ICA must be maintained as part of the permanent records of the modified helicopter.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
