

Supplemental Type Certificate

Number ST00163LA-D

This Certificate issued to Hollingsead International
2226 Goodyear Avenue
Ventura, California 93003

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product Type Certificate Number A49EU

Make : BRITISH AEROSPACE

Model : BAe146 Series 200A

Description of Type Design Change:

Installation of a Passenger Entertainment System in accordance with Elsinore Systems Integration Group Master Data List 2170-10, Revision A, dated 8/20/97, or later FAA approved revision.

Limitations and Conditions:

This approval should not be incorporated on any certificated product of this model on which other approved modifications are incorporated, unless it is determined that the interrelationship between this change and any of those previously incorporated modifications will not introduce any adverse effect upon the airworthiness of the certificated product. See STC continuation sheet for additional Limitations and Conditions. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

(Continued on page 3 of 3)

This certificate and the supporting data, which is the basis for approval, shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : April 26, 1996

Date reissued : April 1, 1998; June 13, 2005;
May 14, 2007
