

United States Of America
Department of Transportation - Federal Aviation Administration
Supplemental Type Certificate

Number SA02373AK

Reissued on June 14, 2010 to supersede the original STC, which has been lost or misplaced.

This Certificate issued to Dakota Cub Aircraft, Inc.
48473 262nd St.,
Valley Springs, SD 57068

*certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part * of the * Regulations.*

Original Product Type Certificate Number: * Refer to FAA Approved Model List (AML) No. SA02373AK, dated May 13, 2010, or later FAA approved revision, for approved airplane
Make: makes and models, corresponding Type Certificate numbers, and applicable
Model: airworthiness regulations.

Description of Type Design Change: Installation of heavy duty landing gear in accordance with Dakota Cub Master Data List, Document No. 2009-STC-05-MDL, dated January 06, 2010, or later FAA approved revision.

Limitations and Conditions:

- 1) The installer must determine whether this design change is compatible with previously approved modifications.
- 2) If the holder agrees to permit another person to use this certificate to alter a product, the holder must give the other person written evidence of that permission.
- 3) Instructions for Continued Airworthiness, ICA-Super Duty landing gear, Revision Original, dated January 6, 2010, or later FAA accepted revision are a required part of this STC.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: October 26, 2009

Date reissued: June 14, 2010

Date of issuance: May 13, 2010

Date amended:

By direction of the Administrator
