Make Boeing

Model 747-400 Series

Description of Type Design Change: Installation of B/E Aerospace Air Chiller P/N 470-1 in accordance with B/E Aerospace Master Data List ECS470-9, Revision C, dated November 6, 2006, or later FAA approved revision.

Limitations and Conditions: This approval is limited to airplanes on which C&D Zodiac Pantry P/N C481001-101 has been installed in accordance with STC ST01880LA. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated, unless it is determined by the installer that the interrelationship between this change and any of those previously approved modifications will not introduce any adverse effect upon the airworthiness of that aircraft. A copy of this STC must be included in the permanent record of the modified aircraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
