Supplemental Type Certificate

Number SA1464SW

This certificate issued to JSF Aviation Services, Inc.
4680 Glenn Curtiss Drive
Addison, Texas 75001-3243

certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part 10 (CAR 4b) of the Civil Air Regulations.

Original Product-Type Certificate Number: A7EU
Make: Dassault
Model: Fan Jet Falcon & Fan Jet Falcon Series D & E

Description of Type Design Change: Installation of Collins AVR-101 Voice according to Drawing List STC-SA-1464 dated January 20, 1978, or later approved revision.

Limitations and Conditions: FAA Approved Flight Manual Supplement dated May 18, 1972, or August 17, 1978, as appropriate is required with each installation. This approval should not be extended to other aircraft of these models on which other previously approved modifications are incorporated unless it is determined by the installer that the interrelationship between this change and any other previously approved modifications will produce no adverse effects upon the airworthiness of the aircraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: March 21, 1972

Date reissued: December 20, 1972; January 24, 1975;
May 5, 2009

Date of issuance: May 18, 1972

Date amended: August 17, 1978
