Supplemental Type Certificate

Number ST01365SE

This certificate, issued to: JAMCO America, Inc.
1018 80th Street S.W.
Everett, WA 98203

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product—Type Certificate Number: A20WE
Make: Boeing
Model: 747-400 Series

Description of the Type Design Change: Install new passenger seats and interior reconfiguration of Zone A in 747-400 Series airplanes in accordance with JAMCO America, Inc., Master Drawing List IA-101MDL, Revision B, dated January 19, 2004, or later Federal Aviation Administration (FAA) approved revision.

Limitations and Conditions: Approval of this change in type design applies to the above model aircraft only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined that the relationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of the aircraft. A copy of this Certificate and JAMCO America, Inc., Master Drawing List IA-101MDL must be maintained as part of the permanent records for the modified aircraft. Supplemental Type Certificate (STC) ST00842LA, modifications to the existing IFE system, and installation of PC Power and LAN system into the first class seats, must be installed concurrently with this STC.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
