

United States Of America
Department of Transportation - Federal Aviation Administration
Supplemental Type Certificate

Number ST02316LA

This Certificate issued to Crane Aerospace and Electronics
3000 Winona Avenue
Burbank, CA 91504

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.*

Original Product Type Certificate Number: A10CE

Make: Learjet
Model: 60

Description of Type Design Change: Installation of tire pressure sensor in accordance with the FAA approved Master Data List 83-216-01, Revision "K", dated September 27, 2010 or later FAA approved revision.

Limitations and Conditions: The installation should not be incorporated in any aircraft unless it is determined that the interrelationship between this installation and any previously approved configuration will not introduce any adverse effect upon the airworthiness of the aircraft. The approval of this modification applies to the above noted airplane model series only. A copy of this STC must be included in the permanent record of the modified aircraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

Federal Aviation Administration accepted Instructions for Continued Airworthiness, Crane Aerospace and Electronics, document number CMM83-216-01, Revision "1", dated September 3, 2010 or later FAA accepted revisions, must be made available to the operator for incorporation into the operator's maintenance program.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: July 06, 2009

Date reissued:

Date of issuance: September 28, 2010

Date amended:

By direction of the Administrator
