Number ST00171CH

This certificate issued to Norton Performance Plastics Corporation
335 N. Diamond St.
Ravenna, OH 44266

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations (See Type Certificate Data Sheet Number A20WE for the complete certification basis).

Original Product - Type Certificate Number : A20WE

Make: BOEING

Model: 747-100, 747-100B, 747-200B, 747-200C, 747-200F,
747SR, 747SP, 747-300, 747-100B SUD, 747-400, 747-400D,
747-400F Series

Description of Type Design Change:

Installation of Radome in accordance with Norton Installation Instructions NI-4892, Revision A dated October 6, 1999, or later FAA approved revisions.

Limitations and Conditions:

1. Compatibility of this design change with previously approved modifications must be determined by the installer.
2. This approves only the installation of the radome and does not include the radar system.
3. For transmission efficiency data, refer to Installation Instructions NI-4892, Revision A, dated October 6, 1999, or later FAA approved revisions.
4. If the installer agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: February 1, 1993

Date reissued :

Date of issuance : March 9, 1994

Date amended : March 1, 2000

By direction of the Administrator
