

Department of Transportation - Federal Aviation Administration

Supplemental Type Certificate

Number **ST02472SE**

This certificate, issued to

**Luma Technologies LLC
13226 SE 30th St., B3
Bellevue, WA 98005**

certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product—Type Certificate Number: A16SW
Make: Beechcraft Corporation
Model: 400A and 400T

Description of the Type Design Change: Manufacture and installation of Luma Technologies LLC LT-4400 Series Integrated LED Display Panel (ILDLP) in accordance with Luma Technologies LLC Master Drawing List (MDL) Document Number DB1410005, Revision A, dated December 22, 2015, or later Federal Aviation Administration (FAA) approved revision. Maintained in accordance with Luma Technologies LLC Instructions for Continued Airworthiness Document DB1410006, Revision IR, dated September 15, 2015, or later FAA-accepted revision

Limitations and Conditions: Approval of this change in type design applies only to the above model aircraft with Luma Technologies LLC LT-4400 Series ILDP installed. This approval should not be extended to other aircraft unless the installer determines that the relationship between this change and any other previously incorporated approved modifications will introduce no adverse effect upon the airworthiness of that aircraft.

A copy of this certificate, the ICA, and the MDL must be maintained as part of the permanent records for the modified aircraft.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: October 15, 2014

Date reissued:

Date of issuance: February 2, 2016

Date amended:

By direction of the Administrator
