

United States of America  
Department of Transportation -- Federal Aviation Administration  
**Supplemental Type Certificate**

*Number* ST02322CH

*This certificate issued to* ABX Air, Inc.  
145 Hunter Drive  
Wilmington, OH 45177

*certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.* See Type Certificate Data Sheet A1NM for complete certification basis.

*Original Product -- Type Certificate Number :* A1NM

*Make :* The Boeing Company

*Model :* 767-200 Series.

*Description of Type Design Change:*

Installation of provisions for a Satellite Communication System (SCS) in accordance with ABX Air, Inc. Master Data List, Report No. RPT-05-07381, Revision C, dated August 29, 2006 or later FAA approved revision.

*Limitations and Conditions:*

- 1) Compatibility of this design change with previously approved modifications must be determined by the installer.
- 2) This certificate is for the installation of Satellite Communication System provisions only and does not provide FAA approval for SCS equipment which would make the Satellite Communication System operational. Further FAA approval must be obtained prior to any additional equipment installation or use.
- 3) If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

*This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.*

*Date of application :* July 06, 2005

*Date reissued :*

*Date of issuance :* September 06, 2006

*Date amended :*

*By direction of the Administrator*
