Supplemental Type Certificate

Number SA2706NM-D

This Certificate issued to United Air Lines, Inc.
600 Jefferson Street
Houston, Texas 77002

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations. (Ref. TC Data Sheet A22WE for Special Condition.)

Original Product Type Certificate Number: A22WE

Make: Boeing

Model: DC-10-10

Description of Type Design Change: Relocation of the lower lobe galley to the main deck and conversion of lower lobe galley into cargo compartment. Seating arrangement will be reconfigured from 40F/214Y to 28F/259Y. The installation is in accordance with DAS-1-WE Approved United Air Lines Master Document List 2706, dated May 27, 1986, or later FAA approved revision.

Limitations and Conditions: This approval should not extended to other specific airplanes of this model on which other previously approved modifications are incorporated unless it is determined that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of that airplane. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data, which is the basis for approval, shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
