

Supplemental Type Certificate

Number SH298NW

This Certificate issued to Siam Hiller Holdings, Inc.
925 M Street
Firebaugh, California 93622

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 6 of the Civil Air Regulations, including Amendments 6-1 thru 6-3.

Original Product Type Certificate Number: 4H11

Make: Hiller

Model: UH-12E

Description of Type Design Change: Installation and maintenance of a cabin heater system in accordance with FAA approved Soloy Conversions, Ltd. Drawing List 560-301 dated May 14, 1976, or later FAA approved revision. The cabin heater assembly and related brackets must be visually inspected prior to each flight as part of the normal rotorcraft preflight inspection procedure. Refer to the applicable portions of Soloy Conversions, Ltd. Maintenance Manual for the required maintenance of this assembly.

NOTE: Only those Hiller UH-12E rotorcraft which have been converted to turbine power in accordance with STC SH178WE are eligible for this modification.

Limitations and Conditions: Approval of this change in type design applies to the above model rotorcraft only. This approval should not be extended to other rotorcraft of this model on which other previously approved modifications are incorporated unless it is determined that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of that rotorcraft. A copy of this Certificate must be maintained as part of the permanent records for the modified rotorcraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data, which is the basis for approval, shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
