Supplemental Type Certificate

Number ST00835SE

This certificate, issued to: Heath Tecna, Inc. Corporation
3225 Woburn Street
Bellingham, WA 98226

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product—Type Certificate Number: *See attached FAA Approved Model List (AML)
Make: No. ST00835SE for a list of approved aircraft
Model: models and applicable airworthiness regulations.

Description of the Type Design Change: Installation of interior components in accordance with Heath Tecna, Inc. Drawing List HPD-DL-60, Revision W, dated July 3, 2004, or later Federal Aviation Administration (FAA) approved revisions.

Limitations and Conditions: Approval of this change in type design applies to the aircraft models listed on the AML only. See continuation sheet 1 of 1 for list of limitations and differences in certification basis. This approval should not be extended to other aircraft of these models on which other previously approved modifications are incorporated unless it is determined that the relationship between this change and any of those other previously approved modifications, including changes in type design will introduce no adverse effect upon the airworthiness of that aircraft. A copy of this Certificate and Heath Tecna Inc. Drawing List HPD-DL-60, Revision W must be maintained as part of the permanent records for the modified aircraft.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
