Supplemental Type Certificate

Number SA2558WE

This Certificate issued to United Air Lines, Inc.
600 Jefferson Street
Houston, Texas 77002

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 4b of the Civil Air Regulations, dated December 31, 1953. (See Type Certificate Data Sheet 4A25).

Original Product Type Certificate Number: 4A25

Make: Boeing

Model: DC-8-61

Description of Type Design Change: Modification of interior installation to incorporate enclosed hat rack stowage compartments, improved cabin lighting and various other interior changes in accordance with FAA Approved United Air Lines Drawing List NO C0A2-4271-61, Revision "C", dated January 9, 1975, or later FAA approved revisions.

Limitations and Conditions: Revision "C" cancels and supersedes all previous configurations specified in the original issue of C0A2-4271-61 through Revision "B". This approval should not be extended to other specific airplanes of this model on which other previously approved modifications are incorporated, unless it is determined that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of the above listed aircraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data, which is the basis for approval, shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
