

Supplemental Type Certificate

Number SR09313RC

This certificate, issued to

**Global Spar LLC
1000 85th Avenue SE
Olympia, WA 98501**

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 21.25 of the Federal Aviation Regulations.

Original Product—Type Certificate Number: ** See Associated FAA Approved Model List (AML)
Make: **
Model: **

Description of the Type Design Change: Fabrication of Global Spar LLC Vertical Fin Spar Kit, Part No. VTF-030-802-001, in accordance with Global Helicopter Technology, Inc. (GHTI) Master Drawing List No. VTF-392-110, Revision L, dated December 1, 2011, or later FAA approved revision. Installed in accordance with GHTI Manual No. GHT-VTF-101-UH1, Revision C, dated June 5, 2008, or later FAA approved revision. Maintained in accordance with GHTI Instructions for Continued Airworthiness, Document No. GHT-424-105, Revision 3, dated January 24, 2003, or later FAA approved revision.

Limitations and Conditions: Approval of this change in type design applies to rotorcraft models specified on associated AML SR09313RC only, that are equipped with standard tail boom fin assemblies, part number 204-031-090-1. This approval should not be extended to any other rotorcraft of this type, in which other previously approved modifications are incorporated, unless it is determined that the relationship between this change and any other previously approved modifications, including changes in type design, will introduce no adverse effect upon the airworthiness of the helicopter.

(See Continuation Sheet – Page 3 of 3)

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: November 1, 2000 *Date reissued:* January 27, 2004; October 29, 2010
Date of issuance: April 16, 2001 *Date amended:* 4/22/2011; 5/18/2011; 12/8/11

By direction of the Administrator
