Supplemental Type Certificate

Number **ST00719SE***This certificate, issued to:***Heath Tecna Inc.
3225 Woburn Street
Bellingham, WA 98226**

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product—Type Certificate Number: A1NM
Make: Boeing
Model: 767-300 series

Description of the Type Design Change: Installation of interior components in accordance with Heath Tecna Inc. Drawing List HPD-DL-63, Revision L, dated June 23, 2006, or later Federal Aviation Administration (FAA) approved revisions.

Limitations and Conditions: Approval of this change in type design applies to the aircraft models listed above. See continuation sheets 3 and 4 for list of the limitations and differences in certification basis. This approval should not be extended to other aircraft of these models on which other previously approved modifications are incorporated unless it is determined that the relationship between this change and any of those other previously approved modifications, including changes in type design will introduce no adverse effect upon the airworthiness of that aircraft. A copy of this Certificate and Heath Tecna Inc. Drawing List HPD-DL-63, Revision L must be maintained as part of the permanent records for the modified aircraft.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
