

Department of Transportation Federal Aviation Administration

Supplemental Type Certificate

Number SR00104DE

This certificate, issued to

Soloy, LLC
450 Pat Kennedy Way S.W.
Olympia, WA 98501

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 6 of the Civil Air Regulations.

Original Product Type Certificate Number: H2SW

Make: Bell

Model: 206L, L-1, L-3, L-4

Description of the Type Design Change:

Installation of six (6) Large Area Cabin Windows per Paravion Technology, Inc. Drawing List No. DL-206DC-100, Rev. N/C dated April 7, 1994, and FAA Approved May 5, 1994, or later FAA approved revision.

Limitations and Conditions:

1. A copy of this Certificate must be maintained as part of the permanent records for the modified aircraft.
2. Compatibility of this design change with previously approved modifications must be determined by installer.
3. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: January 27, 1994

Date reissued: May 3, 2006

Date of issuance: May 11, 1994

Date amended:

By direction of the Administrator
