This Certificate issued to

**BAE Systems Protection Systems, Inc.
7822 South 46TH Street
Phoenix, Arizona 85044-5354**

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 29 of the Federal Aviation Regulations.

Original Product Type Certificate Number: H13EU

Make: Eurocopter

Model: MBB BK117-C2

Description of Type Design Change: Installation of crew seat configuration in accordance with FAA approved Master Drawing List Number TD-06132 Revision A, dated November 6, 2006, or later FAA approved revision. FAA Approved Rotorcraft Flight Manual Supplement, Document No. FMS115769, Revision "Original," dated November 13, 2006, or later FAA approved revision is required as part of this installation.

Limitations and Conditions: The installation should not be incorporated in any rotorcraft unless it is determined that the interrelationship between this installation and any previously approved configuration will not introduce any adverse effect upon the airworthiness of the rotorcraft. A copy of this STC must be included in the permanent records of the modified aircraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
