

Supplemental Type Certificate

This certificate has been reissued to replace the original certificate reported as lost.

Number ST00024LB-D

This Certificate issued to United Air Lines, Inc.
600 Jefferson Street
Houston, Texas 77002

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation

Original Product Type Certificate Number: T00001SE

Make: Boeing

Model: 777-200 Series

Description of Type Design Change: Modifies the aircraft to install Rumbold first class seats, B/E Aerospace business class seats, and Recaro economy class seats. Installs BE2000M distributed video system with Airshow in all classes and Hunting personal video players in first class. Installs Primex PC power system in first and business class. Seat count is 12/49/217. Modifies the aircraft to relocate mid-galley, class dividers, closets, and floor stowage units. Modify and relocate stowbins. Replace economy class seats with seats that incorporate in-seat video. Remove one economy class double seat and relocate three economy class double seats. Install new curtain. Seat count is 12/49/215. The installation is in accordance with DAS-1-WE Approved United Air Lines Master Document List No. 00024, dated October 17, 1999, or later FAA approved revisions.

Limitations and Conditions: The approval of this installation applies to the 777-200 Series only. This approval does not extend to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of that aircraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission. Incorporation of Boeing Service Bulletin 777-23-0046 or equivalent PRR is required for this modification. Incorporation of Boeing Service Bulletin 777-23-0053 or equivalent PRR is required for this modification.

This certificate and the supporting data, which is the basis for approval, shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
