

United States of America
Department of Transportation—Federal Aviation Administration
Supplemental Type Certificate

Number SAI746CE

This certificate, issued to Avcon Industries, Inc.
City-County Airport
P. O. Box 748
Newton, Kansas 67114

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 23 of the Federal Aviation Regulations, effective February 1, 1965, as amended in the Type Certificate Data Sheet.

Original Product—Type Certificate Number: A24CE
Make: Beech
Model: 200, 200C, B200, B200C

Description of Type Design Change:

Installation of external baggage compartment on the bottom of the fuselage per Avcon Industries Drawing List No. 36208 and Avcon Flight Manual Supplement, both with an FAA Approved date of June 21, 1982, or later.

Limitations and Conditions:

This approval should not be extended to other specific airplanes of this model on which other previously approved modifications are incorporated, unless it is determined that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of that airplane.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: December 14, 1981

Date reissued: November 24, 1982

Date of issuance: June 21, 1982

Date amended:

By direction of the Administrator
