

United States Of America
Department of Transportation - Federal Aviation Administration
Supplemental Type Certificate

Number **ST01387LA**

This Certificate issued to Flight Environments, Inc.
1625 Commerce Way
Paso Robles, California 93446

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations. *Certification basis is set forth in Type Certificate Data Sheet.*

Original Product Type Certificate Number : A46EU

Make : Dassault-Aviation

Model : See Attached Approved Model List
No. ST01387LA

Description of Type Design Change: Installation of the thermal acoustic insulation kit in accordance with FAA approved model list Number ST01387LA on page 3 of this STC.

Limitations and Conditions: This installation should not be incorporated in any aircraft unless it is determined that the interrelationship between this installation and any previously approved configuration will not introduce any adverse effect upon the airworthiness of the aircraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : April 16, 2001

Date reissued : January 05, 2005, October 6, 2006

Date amended : September 5, 2006

Date of issuance : September 10, 2002

By direction of the Administrator
