Number SA3315WE

This Certificate issued to C&D Zodiac, Inc.
5701 Bolsa Avenue
Huntington Beach, California 92647

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product Type Certificate Number: A23WE

Make: Lockheed-California Company

Model: L-1011-385-1-15 (193S-Saudia Series)

Description of Type Design Change: Installation of a sixteen inch Beverage cart Model 954000-225 in the passenger main deck areas and/or the lower galley service area as defined by FAA sealed Fairchild Stratos Division Drawing List ER-954-2, Revision "A," dated December 1, 1976, or later sealed revisions.

Limitations and Conditions: The approval of this change in type design applies basically to L-1011-385-1-15 (193S-Saudia Series) aircraft only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated, unless it is determined by the installer that the interrelationships between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of these aircraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data, which is the basis for approval, shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
