

United States of America
Department of Transportation — Federal Aviation Administration
Supplemental Type Certificate

Number ST02612AT-D

This certificate, issued to TIMCO
623 Radar Road
Greensboro, NC 27410

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product — Type Certificate Number: A16WE
Make: Boeing
Model: 737-300

Description of Type Design Change: Installation Of an Interior Reconfiguration Cabin Conversion In a Boeing 737-300 in Accordance With Timco Master Data List No. 02T017L001 Rev. B, Dated February 21, 2003, Or Later FAA Approved Revision.

Limitations and Conditions: This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the interrelationship between this change and any of those other previously approved modifications will produce no adverse effect upon the airworthiness of that airplane. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: December 11, 2002

Date issued:

Date of issuance: January 30, 2003

Date amended: February 25, 2003

By direction of the Administrator

Jacques Raia (Signature)
DAS Administrator DAS-100214-CE

(Title)

Any alteration of this certificate is punishable by a fine of not exceeding \$1,000, or imprisonment not exceeding 3 years, or both.

This certificate may be transferred in accordance with FAR 21.47.
