Number SA01447LA

This Certificate issued to Kim & Scott Huntington
11052 Muirfield Drive
Rancho Cucamonga, California 91730

*certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part * of the Federal Aviation Regulations (* Certification basis is set forth in Type Certificate Data Sheet as specified in the FAA Approved Model List No. SA01447LA)*

Original Product Type Certificate Number: * See attached FAA Approved Model List No.

Make: * SA01447LA

Model: *

Description of Type Design Change: Installation of Pilot Door Window Lock, Pilot Door and Baggage Door Locks in accordance with FAA Approved Drawing Lists. The Drawing Lists required for the modification are listed on FAA Approved Model List No. SA01447LA.

Limitations and Conditions: The installation should not be incorporated in any aircraft unless it is determined that the interrelationship between this installation and any previously approved configuration will not introduce any adverse effect upon the airworthiness of the aircraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: November 13, 2002

Date reissued:

Date of issuance: April 3, 2003

Date amended:

By direction of the Administrator
