Number **SR02011SE**

This certificate, issued to **Aerometals
3920 Sandstone Dr.
EI Dorado Hills, CA 95762**

*certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part * of the * Regulations.*

[* Certification Basis Set Forth in Type Certificate Data Sheet H3WE]

Original Product—Type Certificate Number: H3WE
Make: MD Helicopter, Inc.
Model: 369HS/HM, 369D/E/FF, 500N, 600N

Description of the Type Design Change: Fabrication of Aerometals Fuel Shutoff Valve Assembly in accordance with Aerometals, LLC Master Drawing List No. Aero-MDL-001, Revision A, dated June 16, 2009, or later FAA-approved revision; and installation of this assembly in accordance with Aerometals, LLC Installation Instructions No. Aero-Inst-001, Revision NC, dated April 7, 2009, or later FAA-approved revision.

Limitations and Conditions: Approval of this change in type design applies to the rotorcraft listed above only. This approval should not be extended to other rotorcraft of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the relationship between this change and any of the other previously approved modifications, including changes in type design, will introduce no adverse effect upon the airworthiness of that helicopter. This modification must be maintained in accordance with Aerometals, LLC Instructions for Continued Airworthiness Document No. Aero-Inst-006, Revision NC, dated March 25, 2009, or later FAA-approved revision.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

A copy of this certificate and Instructions for Continued Airworthiness must be maintained as part of the permanent record of the modified helicopter.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: May 01, 2009 *Date reissued:* February 8, 2011
Date of issuance: July 22, 2009 *Date amended:*

By direction of the Administrator
