

United States of America
Department of Transportation -- Federal Aviation Administration
Supplemental Type Certificate

Number SA1054GL

This certificate issued to

Ontic Engineering and Manufacturing Inc.
20400 Plummer Street
Chatsworth, CA 91311

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 4a of the Civil Air Regulations. (See Aircraft Specification No. A-783 for complete certification basis.)

Original Product--Type Certificate Number: A-783

Make: Frakes Aviation

Model: G-73

Description of Type Design Change:

Removal of P/N 213763 propeller synchrophaser control box and electrical connector, and installation of P/N A213796 control box, electrical connector, and remote switch in accordance with Woodward Governor Installation Instruction Drawing No. 9963-146, Rev. B, dated July 2, 1986, or later FAA approved revision.

Limitations and Conditions:

1. Compatibility of this design change with previous modifications must be determined by the installer.
2. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: July 3, 1986

Date reissued: October 3, 2005, April 30, 2007

Date of issuance: August 7, 1986

Date amended:

By direction of the Administrator
