611 S. Church St.,
Winnebago, IL 61088

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 4b of the Civil Aviation Regulations.
(See Aircraft Specification 6A6 for complete certification basis)

Original Product--Type Certificate Number:

6A6

Make:

Kelowna Flightcraft R & D Ltd.

Model:

Tracor (Convair) 340 and 440

Description of Type Design Change:

Reduction of payload to 7500 lbs. Installation of placard per Rezich & Rezich drawing RR002, dated 12/20/09, or later FAA approved revision.

Limitations and Conditions:

1. Compatibility of this design change with previously approved modifications must be determined by the installer.
2. FAA approved Airplane Flight Manual Supplement, Document No. RRCV44, Rev. NC, FAA approved on October 5, 2010, or later FAA approved revision is required with this modification.
3. A copy of this certificate must be maintained as part of the permanent records for the modified aircraft.
4. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: October 29, 2009

Date reissued: January 31, 2013

Date of issuance: October 18, 2010

Date Amended:

By direction of the Administrator
