

Supplemental Type Certificate

Number SA4822NM

This Certificate issued to C&D Zodiac, Inc.
5701 Bolsa Avenue
Huntington Beach, California 92647

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product Type Certificate Number: A6WE

Make: McDonnell Douglas

Model: DC-9 (80 Series: see C&D Drawing List 3882000
for applicable model)

Description of Type Design Change: Installation of Galleys, Coatrooms, and Partition in accordance with FAA approved C & D Interiors Master Drawing List No. 3882000, Revision "C", dated December 8, 1989 or later FAA approved revision.

Limitations and Conditions: This approval of this change in type design applies to the aforementioned models only. This modification should not be incorporated in any aircraft unless it is determined that the interrelationship between this change and any previously approved configuration will not introduce any adverse effect upon the airworthiness of the aircraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data, which is the basis for approval, shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: September 25, 1989

Date reissued: Nov. 12, 1993; Jan. 30, 2006

Date of issuance: December 11, 1989

Date amended: March 29, 1991

By direction of the Administrator
