Make MDHI

Model 369HS, 369HE, 369D

Description of Type Design Change: Installation of Searchlight Kit in accordance with FAA Approved Alexair Indentured Drawing List 751-1000 Revision E, dated March 24, 1977 or later FAA approved revisions.

Alexair FAA Approved Rotorcraft Flight Manual Supplement dated June 30, 1976, revised March 16, 1979, is required with this installation.

Limitations and Conditions: The approval of this change in type design applies to the basic aircraft of the specified models that are otherwise unmodified. This approval should not be extended to other aircraft of these models on which other previously approved modifications are incorporated, unless it is determined by the installer that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of that aircraft. A copy of this STC must be included in the permanent records of the modified aircraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
