Department of Transportation -- Federal Aviation Administration
Supplemental Type Certificate

Number SR01296AT

This certificate issued to

Bell Helicopter Textron, Inc.
441 Industrial Park Road
Piney Flats, TN 37686

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 27 of the Federal Aviation Regulations.

Original Product -- Type Certificate Number : H2SW
Make : Bell Helicopter Textron Canada
Model : 407

Description of Type Design Change:

Manufacture of quick mount kit for Nightsun® SX-16 searchlight in accordance with Aeronautical Accessories, Inc. Drawing List Report No. AA-96130, Revision "A", dated February 21, 1997, and installation per Report No. AA-96131, Revision "A", dated February 3, 1997, or later FAA approved revisions.

Limitations and Conditions:

FAA Approved Rotorcraft Flight Manual Supplement, Report AA-96141, dated May 14, 1997, is a required part of this STC. The installer must determine whether this design change is compatible with previously approved modifications. If the holder agrees to permit another person to use this certificate to alter a product, the holder must give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : August 05, 1996

Date reissued : October 10, 2011

Date of issuance : May 14, 1997

Date amended :

By direction of the Administrator
