

United States of America
Department of Transportation -- Federal Aviation Administration
Supplemental Type Certificate

Number SA00727AT

This certificate issued to

FFC Manufacturing
4010 Pilot Dr., Suite 103
Memphis, TN 38118

certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part 3 of the Civil Air Regulations.

Original Product--Type Certificate Number: A24CE
Make: Beech
Model: (See continuation 3 of 3)

Description of Type Design Change: Installation of replacement fuel cell assemblies according to FFC Engineering Report 01-2810-051 Rev. B, dated June 25, 2010 or later FAA Approved Revisions.

Limitations and Conditions: This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated, unless it is determined by the installer that the interrelationship between this change and any other previously approved modifications will produce no adverse effect upon the airworthiness of that airplane. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

(See continuation 3 of 3)

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: May 17, 1995

Date reissued: April 27, 2009

Date of issuance: June 20, 1995

Date amended: July 29, 2010

By direction of the Administrator
