Houston, Texas 77002

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations. See Type Certificate Data Sheet A28NM for special conditions.

Original Product Type Certificate Number: A28NM

Make: Airbus Industries

Model: A319-131, A320-232

Description of Type Design Change: Modifies the aircraft to change the material used for the construction of the floor panels in the forward and aft cargo compartments to MC Gill product Gillfab 4321B. The installation is in accordance with DAS-100219-NM United Air Lines Master Document List No.00937, Revision B, dated July 14, 2006, or later FAA approved revisions.

Limitations and Conditions: The approval of this installation applies to the Airbus A319-131 and A320-232 Series only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of that aircraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
