

United States Of America
Department of Transportation - Federal Aviation Administration
Supplemental Type Certificate

Number SA1563GL

This Certificate issued to **USA JET AIRLINES, INC.
HANGAR 2064 D STREET
WILLOW RUN AIRPORT
BELLEVILLE, MICHIGAN 48111**

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 4b of the Civil Air Regulations. *Certification basis is set forth in Type Certificate Data Sheet TCDS A6WE*

Original Product Type Certificate Number: A6WE

Make: McDonnell Douglas

Model: DC-9-14, -15, -15F

Description of Type Design Change: Installation of a Stage 3 Hush Kit on McDonnell Douglas DC-9-10 series airplanes with Pratt & Whitney JT8D-7, -9, -11, -15, -17 series engines in accordance with ABS Partnership Master Drawing List MDL-007-001-90, Revision No Change, dated June 20, 1990, or later FAA approved revision.

Limitations and Conditions: The installation should not be incorporated in any airplane unless it is determined that the interrelationship between this installation and any previously approved configuration will not introduce any adverse effect upon the airworthiness of the airplane. The approval of this modification applies to the above noted airplane model series only. A copy of this STC must be included in the permanent records of the modified airplane. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission. (See Page 3 for continuation)

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: June 29, 1990

Date reissued: February 12, 1999, March 27, 2002, December 24, 2003, August 1, 2008

Date of issuance: February 19, 1991

Date amended: Feb. 12, 1999, Oct. 10, 2000

By direction of the Administrator
