

11/15/00

United States of America
Department of Transportation -- Federal Aviation Administration
Supplemental Type Certificate

Number SA00905WI-D

This certificate issued to Honeywell International Inc.
23500 W. 105th Street
Olathe, KS 66061

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 23 of the Federal Aviation Regulations and additional requirements as specified in TCDS 3A13.

Original Product - Type Certificate Number: 3A13
Make: Cessna
Model: 182S

Description of Type Design Change:

Installation of the Bendix/King KMA 28 Audio Amplifier/Intercom/Marker Beacon Receiver.
REQUIRED DATA: Master Drawing List 159-08261-0001, Rev. -, dated 9-11-00.

Later FAA approved revisions to the above listed data are incorporated without further revision to this Supplemental Type Certificate.

Limitations and Conditions:

This approval should not be extended to other specific airplanes of this model on which other previously approved modifications are incorporated, unless it is determined that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of that airplane.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: September 14, 2000

Date reissued:

Date of issuance: September 29, 2000

Date amended:

By direction of the Administrator
