

United States of America
Department of Transportation -- Federal Aviation Administration
Supplemental Type Certificate

Number **SA2842CE**

This certificate issued to:

Hawker Beechcraft Services, Inc.
1980 Airport Road
Wichita, KS 67209

certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part 23 of the Federal Aviation Regulations.

Original Product - Type Certificate Number: **A24CE**

Make: **Beech**

Model: **1900D**

Description of Type Design Change: Install a mid-baggage cargo net, option 1, or an aft bulkhead partition, option 2, in the aft cabin per drawings and data called out on Raytheon Aircraft Services Top Drawing No. UB1901005 stamped "FAA Approved" with a date of July 23, 1992, or later.

Limitations and Conditions: This approval should not be extended to other specific airplanes of this model on which other previously approved modifications are incorporated, unless it is determined that the interrelationship between this change and any of these other previously approved modifications will introduce no adverse effect upon the airworthiness of that airplane. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: **July 14, 1992**

Date reissued: **January 6, 1999; May 29, 2007**

Date of issuance: **July 23, 1992**

Date amended: **March 7, 2000**

By direction of the Administrator
