

United States Of America
 Department of Transportation - Federal Aviation Administration
Supplemental Type Certificate

Number SR01652LA

This Certificate issued to Tyler Camera Systems
 14218 Aetna Street
 Van Nuys, California 91401

*certifies that the change in the type design for the following product with the limitations and conditions therefor as specified herein meets the airworthiness requirements of Part * of the Federal Aviation Regulations. **

Original Product Type Certificate Number: ** See attached FAA Approved Model List (AML)
Make: No. SR01652LA for list of approved rotorcraft
Model: * models and applicable airworthiness regulations.

Description of Type Design Change:

Installation of External Attach Frame in accordance with FAA Approved Tyler Camera Systems Master Drawing List No. LU-001, Revision A, dated July 2, 2004, and a copy of FAA Approved Rotorcraft Flight Manual Supplement No. LU-RFM-001, Revision No. N/C, dated October 28, 2004 or later FAA Approved Revisions.

Limitations and Conditions: Approval of this change in type design applies to the aircraft models listed on AML No. SR01652LA only. This approval should not be extended to aircraft of this model on which other previously approved modifications are incorporated unless it is determined that the relationship between this change and any of those other previously approved modifications, including changes in type design, will introduce no adverse effect upon the airworthiness of that aircraft. (Continued)

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: August 15, 2003

Date reissued:

Date of issuance: November 3, 2004

Date amended:

By direction of the Administrator

Department of Transportation - Federal Aviation Administration
Supplemental Type Certificate
(Continuation Sheet)

Number SR01652LA

Limitations and Conditions (Continued):

The provisions of the Supplemental Type Certificate are applicable only to those aircraft which are listed on the attached FAA Approved Model List of Eurocopter France Helicopter models.

This external attach frame is approved for a maximum payload weight of not more than 360 pounds per hook. The bi-pod frame may be left in place when the external frame is removed. The external attach frame may be installed on either or both sides of the aircraft.

The external attach frame maybe used in conjunction with Tyler Cargo Rack System STC No. SR01449LA.

A copy of this Certificate and FAA Approved Model List (AML) No. SR01652LA, dated November 3, 2004, or later FAA Approved revision, must be maintained as part of the permanent records for the modified aircraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

- END -

Any alteration of this certificate is punishable by a fine of not exceeding \$1,000, or imprisonment not exceeding 3 years, or both.
