Supplemental Type Certificate

Number SR00318SE

This Certificate issued to Concorde Battery Corporation
2009 San Bernardino Road
West Covina, CA 91790

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 27 of the Federal Aviation Regulations

Original Product Type Certificate Number: H25W

Make: Bell

Model: 206A and 206B

Description of Type Design Change: Installation of Concorde Battery RG-206 battery in accordance with Aero-Jet Trading "Installation Instructions Concorde Battery Bell 206 Series Helicopter" Manual Number A-J 206 for RG-206 battery, Revision "None", dated February 23, 1996, or later FAA-approved revision.

Limitations and Conditions: Approval of this change in type design applies to the above models rotorcraft only. This approval should not be extended to other rotorcraft of these models on which other previously approved modifications are incorporated unless it is determined by the installer that the relationship between this change and any of those other previously approved modification, including changes in type design, will introduce no adverse effect upon the airworthiness of that rotorcraft. A copy of this STC and FAA approved Rotorcraft Flight Manual Supplement for Concorde RG-206 battery installation dated March 15, 1996, or later FAA approved revision must be maintained as part of the permanent records for the modified rotorcraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: August 29, 1995

Date reissued: September 28, 2000,
October 12, 2001, May 16, 2016

Date of issuance: March 15, 1996

Date amended:

By direction of the Administrator
