aircraft models and applicable airworthiness regulations

Description of the Type Design Change: Installation of replacement metal wing leading edges in accordance with Milman Master Drawing List as listed on AML SA4773NM.

Limitations and Conditions: Approval of this change in type design applies to the aircraft listed on AML SA4773NM only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the relationship between this change and other previously approved modifications will introduce no adverse effect upon the airworthiness of that aircraft. A copy of this certificate, AML SA4773NM, and the master drawing list must be maintained as part of the permanent records for the modified aircraft.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
