

United States of America
Department of Transportation -- Federal Aviation Administration
Supplemental Type Certificate

Number SA2375CE

This certificate issued to:

Teledyne Controls
501 Continental Blvd
El Segundo, CA 90245

certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part 3 of the Civil Air Regulations.

Original Product - Type Certificate Number: A-777
Make: Beech
Model: 35, A35 through G35, 35R

Description of Type Design Change:

Installation of B&D Instruments & Avionics, Inc. Electronic Tachometer System. Data required: (1) B&D Instruments & Avionics, Inc. Installation Manual Part No. 0535-003-011, Rev. B, or later "FAA Approved" revision; and (2) copy of this certificate.

Limitations and Conditions:

This approval should not be extended to other specific airplanes of these models on which other previously approved modifications are incorporated, unless it is determined that the interrelationship between this change and any of these other previously approved modifications will introduce no adverse effect upon the airworthiness of that airplane. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: July 7, 1987
Date of issuance: June 10, 1988

Date reissued: January 5, 1998; October 2, 2000;
June 30, 2003; November 3, 2011
Date amended:

By direction of the Administrator
