

Supplemental Type Certificate

Number SA2193WE

This Certificate issued to C&D Zodiac, Inc.
5701 Bolsa Avenue
Huntington Beach, California 92647

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product Type Certificate Number: A20WE

Make: Boeing

Model: B747-122

Description of Type Design Change: Modification of the Boeing 747-122 airplane by the installation of the entrée cart 802000, the tray cart 803000, the liquor cart 804000, and the waste cart 805000 in accordance with the Sealed Drawing List No. ER 802-16 or sealed Drawing No. 802045. (Dash number suffixes of the above Drawing List refer to the change status.)

Limitations and Conditions: The approval of this change in type design applies basically to the Boeing 747-122 aircraft only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the previously approved modifications will introduce no adverse affect upon the airworthiness of that aircraft. This determination should include consideration of significant changes in weight distribution such as an increase in the fixed disposable weight in the fuselage. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data, which is the basis for approval, shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
