Department of Transportation -- Federal Aviation Administration
Supplemental Type Certificate

Number SH7882SW

This certificate issued to

Bell Helicopter Textron, Inc.
441 Industrial Park Road
Piney Flats, TN 37686

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 6 of the Civil Air Regulations.

Original Product -- Type Certificate Number: H2SW
Make: Bell Helicopter Textron Canada Limited
Model: 206A, 206B

Description of Type Design Change:

Manufacture of a Frahm Vibration Absorber in accordance with Aeronautical Accessories, Inc. (AAI) Drawing List Report No. AA-91017, no revision, dated July 17, 1991, (formerly Global Drawing List GHT-90-101-092-5, Revisions C, dated November 8, 1990) and installation in accordance with AAI Report No. AA-91016, no revision, dated July 17, 1991, or later FAA approved revisions.

Limitations and Conditions:

The installer must determine whether this design change is compatible with previously approved modifications. If the holder agrees to permit another person to use this certificate to alter a product, the holder must give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: April 26, 1990

Date reissued: April 22, 1991,
August 14, 2012

Date of issuance: December 11, 1990

Date amended: January 8, 1996

By direction of the Administrator
