

United States of America
Department of Transportation - Federal Aviation Administration
Supplemental Type Certificate

Number ST01532SE

This certificate, issued to: **Heath Tecna Inc.**
3225 Woburn Street
Bellingham, WA 98226

certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product—Type Certificate Number: A20WE
Make: Boeing
Model: 747-400 series

Description of the Type Design Change: Installation of interior components in accordance with Heath Tecna Inc. Drawing List HPD-DL-93, Revision B, dated February 10, 2006, or later Federal Aviation Administration (FAA) approved revision.

Limitations and Conditions: Approval of this change in type design applies to the aircraft model listed above. See continuation sheet for list of the limitations and differences in certification basis. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined that the relationship between this change and any of those other previously approved modifications, including changes in type design will introduce no adverse effect upon the airworthiness of that aircraft. A copy of this Certificate and Heath Tecna Inc. Drawing List HPD-DL-93, Revision B must be maintained as part of the permanent records for the modified aircraft.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: February 15, 2005

Date reissued:

Date of issuance: April 19, 2005

Date amended: March 7, 2006

By direction of the Administrator
Original Signed by Thomas E. Archer

Acting Manager, Seattle Aircraft Certification Office

(Title)

Any alteration of this certificate is punishable by a fine of not exceeding \$1,000, or imprisonment not exceeding 3 years, or both.

This certificate may be transferred in accordance with FAR 21.47.

Supplemental Type Certificate

(Continuation Sheet)

Number ST01532SE

Issued to: Heath Tecna Inc.

Date of Issuance: April 19, 2005

Date Amended: March 7, 2006

Limitations and Conditions: (cont'd)

Note: This continuation sheet is applicable to the STC as issued on April 19, 2005.

This STC is limited to Interior Kit H2600-659, -661, -663, -665, -667 and -669. This modification results in an open hole in the upper deck overhead stowage compartment, provides partial provisions of salvaged exit signs at station 791 right and left and installs partial provisions of a salvaged overhead emergency light at station 760 right and left. The open hole and partial provisions result in a zero occupancy for this STC. No occupants and no cargo are permitted in the passenger compartment during taxi, take-off, flight and landing and a placard must be displayed in the aircraft accordingly.

Certification Basis:

The certification basis for this modification is in accordance with Type Certificate Data Sheet, A20WE, with the following exceptions:

Regulations at a later amendment than specified in A20WE

§ 25.787 (a)(b)	Amdt. 25-51
§ 25.789 (a)	Amdt. 25-46
§ 25.853 (a)(d)(e)	Amdt. 25-83
§ 25.869(a)(4)	Amdt. 25-72
§ 25.981(a)(b)	Amdt. 25-102
§ 25.1529	Amdt. 25-54

----- END -----

Any alteration of this certificate is punishable by a fine of not exceeding \$1,000, or imprisonment not exceeding 3 years, or both.

This certificate may be transferred in accordance with FAR 21.47.
