

Supplemental Type Certificate

Number ST02119LA

This Certificate issued to LifePort, Inc.
1610 Heritage Street
Woodland, Washington 98674

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations. *Certification basis is set forth in Type Certificate Data Sheet T00007WI.*

Original Product Type Certificate Number: T00007WI

Make: Cessna

Model: 750

Description Of Type Design Change: Installation of a Patient Loading and Utility System (PLUS) in accordance with FAA Approved Master Drawing List for the PLUS installation in the Cessna Citation 750, MDL-833-00, Revision D, dated November 23, 2007 or later FAA approved revision. FAA Approved Airplane Flight Manual Supplement No. EGR-833-11, dated March 5, 2008, or later FAA approved revision is required as part of this installation.

Limitations and Conditions: The installation should not be incorporated in any aircraft unless it is determined that the interrelationship between this installation and any previously approved configuration will not introduce any adverse effect upon the airworthiness of the aircraft. The approval of this modification applies to the above noted airplane model series only. A copy of this STC must be included in the permanent records of the modified aircraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: July 13, 2007

Date reissued:

Date of issuance: March 6, 2008

Date amended:

By direction of the Administrator
