Supplemental Type Certificate

Number SR01839SE*This certificate, issued to*

Helicopter Transport Services, LLC
14497 Keil Road NE
Aurora, OR 97002

certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part 21.25(a)(2) of the Federal Aviation Regulations.

Original Product—Type Certificate Number: H14NM
Make: Helicopter Transport Services
Model: CH-54B

Description of the Type Design Change: Remove the components from the hydraulic sled at Station 380 and install on the sled at Station 435.5, and remove the sled at Station 380, in accordance with Helicopter Transport Services, Inc., (HTSI) Master Drawing List No. HTS-SLEDMDL-001, Revision IR, dated November 6, 2003, or later Federal Aviation Administration (FAA) approved revision. Record in the rotorcraft's log book the weight and balance change provided in document HST-SLEDID-001, Revision IR, dated September 25, 2003, or later FAA-approved revision. This modification must be maintained in accordance with the already approved maintenance requirements for the hydraulic components and their installation.

Limitations and Conditions: Approval of this change in type design applies to HTSI Model CH54B rotorcraft only. This modification is transparent to the operation of the helicopter and therefore does not require a Rotorcraft Flight Manual Supplement. A copy of this certificate must be maintained as part of the permanent record of the modified helicopter.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: October 27, 2003*Date reissued:* January 9, 2014*Date of issuance:* May 2, 2008*Date amended:**By direction of the Administrator*_____
