Supplemental Type Certificate

Number SH7521SW

This certificate issued to

Bell Helicopter Textron, Inc.
441 Industrial Park Road
Piney Flats, TN 37686

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 6 of the Civil Air Regulations.

Original Product -- Type Certificate Number: H2SW
Make: Bell Helicopter Textron Canada Limited
Model: 206A, 206B

Description of Type Design Change:

Installation of a logging/observation bubble window in the right side crew door in accordance with Heli-Plex Drawing Number 26HP904, Revision A, dated June 1, 1987; or Heli-Plex Drawing No. 26HP929, Revision IR, dated March 15, 1989, or later FAA approved revision.

Limitations and Conditions:

Heli-Plex, Inc. Flight Manual Supplement, dated December 6, 1988, or later FAA Approved RFMS is required with the Heli-Plex Logging Bubble Installation. The installer must determine whether this design change is compatible with previously approved modifications. If the holder agrees to permit another person to use this certificate to alter a product, the holder must give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : January 14, 1987

Date reissued : October 26, 1990;
August 14, 2012

Date of issuance : December 6, 1988

Date amended : March 23, 1989, Rev. 1

By direction of the Administrator
