

Supplemental Type Certificate

Number ST00216SE

This certificate, issued to FLIGHT STRUCTURES, INC.

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product—Type Certificate Number: A1NM
Make: Boeing
Model: 767-300 series

Description of the Type Design Change:

Interior reconfiguration in accordance with Flight Structures, Inc. Master Drawing List 95FS517-D01, Revision A, dated July 31, 1995.

Limitations and Conditions:

This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of the aircraft. A copy of this Certificate and Flight Structure Master Drawing List 95FS517-D01, shall be maintained as part of the permanent records for the modified aircraft.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: June 20, 1995

Date reissued:

Date of issuance: July 31, 1995

Date amended:

By direction of the Administrator

Roger S Young
