

United States of America
Department of Transportation -- Federal Aviation Administration
Supplemental Type Certificate

Number SH152AWE

This certificate issued to
BF Goodrich Aerospace
Lighting Systems Division
3445 South 5th Street
Phoenix, AZ 85040

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of 6 of the Civil Air Regulations.
(See TC Data Sheet 4H12)

Original Product--Type Certificate Number:
AH12
Make: Hughes
Model: 269A, B, C, Helicopter

Description of Type Design Change: Installation of Hoskins Model 700801 Anti-collision light system in accordance with Hoskins Drawing No. 10-201969, Rev D. Dated August 14, 1972.

Limitations and Conditions: The approval of this change in type design applies basically to Hughes Helicopter Models with skids installed and not with floats, litter baskets, search lights or other large external special purpose modifications unless it is determined that the interrelationship between this change and previously approved modifications will introduce no adverse effects on the airworthiness of that rotorcraft.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: May 30, 1972

Date reissued: April 01, 1990, September 25, 1995,
January 31, 1996, September 30, 2011

Date of issuance: August 18, 1972

Date amended:

By direction of the Administrator
