

United States of America
Department of Transportation -- Federal Aviation Administration
Supplemental Type Certificate

Number SA2569CE

This certificate, issued to Rockwell Collins, Inc.
400 Collins Road NE, MS 164-100
Cedar Rapids, IA 52498

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 4b of the Civil Air Regulations as amended in the TCDS.

Original Product - Type Certificate Number : A3WE
Make : Boeing
Model : 727, 727-100, 727C, 727-100C, 727-200, and 727-200F

Description of Type Design Change: Install a single Collins TPR-720 Mode S Transponder with a second ATRBS Transponder per Collins Drawing Number 992-2612, no revision, dated January 4, 1990, or later FAA Approved revision.

Limitations and Conditions: (1) This approval should not be extended to other specific airplanes of this model on which other previously approved modifications are incorporated, unless it is determined that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of that airplane. (2) If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : July 21, 1989

Date reissued : December 12, 1997

Date of issuance : January 17, 1990

Date amended : September 4, 1990

By direction of the Administrator
