

United States Of America
Department of Transportation - Federal Aviation Administration
Supplemental Type Certificate

Number ST10205SC

This Certificate issued to Jet Aviation St. Louis, Inc.
6400 Curtiss-Steinberg Dr.
Cahokia, IL 62206

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product Type Certificate Number : A16WE
Make : Boeing
Model : 737-700 IGW

Description of Type Design Change:

Installation of 42-inch gas plasma display in accordance with Jet Aviation Master Data List No. CD-2002-004, Rev. H, dated 1/15/04, or later FAA approved revision. Use of FAA approved Airplane Flight Manual Supplement (AFMS), Jet Aviation Engineering Services Document No. CD-2002-020, Rev. IR, dated February 9, 2004, or later FAA approved revision, is required.

Limitations and Conditions: Compatibility of this design change with previously approved modifications must be determined by the installer. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : April 15, 2002

Date reissued : March 22, 2011

Date of issuance : February 09, 2004

Date amended :

By direction of the Administrator
