Supplemental Type Certificate

Number ST00652SE

This certificate, issued to

**LifePort, Inc.
1610 Heritage Way
Woodland, WA 98674**

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product—Type Certificate Number: A33EU
Make: Dassault-Breguet
Model: Falcon 10

Description of the Type Design Change: Installation of emergency medical stretcher and base, oxygen and electrical systems in accordance with LifePort, Inc., Master Drawing List No. EGR-573-00, Revision E, dated December 7, 1998, or later FAA approved revision.

Limitations and Conditions: Approval of this change in type design applies to the above model aircraft only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined that the relationship between this change and any of those other previously approved modifications, including changes in type design, will introduce no adverse effect upon the airworthiness of that aircraft. A copy of this Certificate and FAA approved LifePort Airplane Flight Manual Supplement, EGR-573-11, dated December 11, 1998, or later FAA approved revision, must be maintained as part of the permanent records for the modified aircraft.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
